## DECISION

of the Presidium of the Baltic Assembly and the Presidium of the Benelux  
Interparliamentary Consultative Council

The Presidiums of the Baltic Assembly and Benelux Interparliamentary  
Consultative Council,

having discussed the future of the parliamentary co-operation within the framework  
of the European Union,

emphasized the importance of the parliamentary co-operation of the Baltic and  
Benelux Countries,

and stressed the need of further intensifying and strengthening of the parliamentary  
co-operation on European issues,

have defined the following priorities of co-operation between both organizations in  
2006:

- Dialogue between the Baltic states and the Benelux countries on the  
application of experience of states in the development of tourism:  
problems and prospects;
- Dialogue between the Baltic states and the Benelux countries on the  
cultural heritage issues: concept of ethnic culture and its protection in  
multicultural society;
- Cooperation between the Baltic states and Benelux countries on migration  
issues and concerning the free provision of legal assistance.
