

APPEAL
TO THE BALTIC COUNCIL OF MINISTERS
Concerning Climate Change Mitigation Issues

The Baltic Assembly,

taking into consideration the fact that the Baltic States have fulfilled the obligations under the UN Framework Convention on Climate Change for the year 2000 and have commenced preparatory work to implement the commitments of the Kyoto Protocol of 1998,

calls on

- the governments of Estonia, Latvia and Lithuania to pay special attention to climate change mitigation issues and
- to support the Final Statement of the Symposium of the parliamentarians of the Benelux Interparliamentary Consultative Council, the Nordic Council and the Baltic Assembly adopted on 27 April 2001 in Brussels.
