

APPEAL

To the State Duma of the Russian Federation and the Leadership of the Chechen Republic Ichkerya

The Baltic Assembly,

being deeply convinced that any kind of peace is better than military actions and that war is the worst method for resolving any problem because it causes even more problems and human suffering,

calls on the State Duma of the Russian Federation and the leadership of the Chechen Republic Ichkerya to appoint authorised delegations to make contacts and meet in order to facilitate the resumption of peace negotiations.
