

The Second Session of the Baltic Assembly

FINAL DOCUMENT

The Baltic Assembly:

having met at the second session on May 29-31, 1992, in Palanga;

supported by the acts of the laws regarding the authorisation of parliamentary delegations of the Republic of Lithuania, Republic of Estonia and the Republic of Latvia;

ruled by the Rules of the inter-parliamentary Assembly (Baltic Assembly) of the Republic of Lithuania, the Republic of Estonia and the Republic of Latvia;

being assured that close co-operation is necessary in spheres of common interest;

keeping in mind the new political and economic situation which has developed in those states and also at the practise of economic co-operation;

supported by the suggestions of the Baltic Assembly Presidium and committees, the following is recommended to the Baltic State parliaments and governments:

- to recognise the expediency of the inter-state agreement and to begin to prepare its draft text;
- to renew the Agreement signed April 12, 1992 on the economic co-operation between Lithuania, Estonia and Latvia;
- to finish the preparation and to sign the Legal assistance agreement.

The Baltic Assembly appeals to all parliaments, inter-parliamentary organisations and the CSCE, requesting that they support the Baltic States by realising their demands for the immediate withdrawal of the armed forces of the Russian army from the territory of the Baltic States and also absolutely eliminate the consequences of the criminal Ribbentrop-Molotov pact. The Baltic Assembly recommends that the parliaments and governments of the Baltic States make analogous appeals.

The Baltic Assembly approves the documents prepared by the committees:

- Recommendations to the Baltic State Juridical Bureau regulations and Legal assistance agreement;
- Recommendations about co-ordinated action in the spheres of education, culture and science;
- Recommendations about the development of communication systems;
- Recommendations about joint co-ordinated actions concerning themselves with energy supplies.

The Baltic Assembly confirms the agreement on the Baltic Assembly and Nordic Council parliamentary co-operation.

The Baltic Assembly approves the draft regulations prepared lawyer delegations of Lithuania, Estonia and Latvia to the Baltic State Juridical Bureau.

The Baltic Assembly recommends that its next session be held in November 1992 in the Republic of Estonia.
