RESOLUTION

ON THE RAILWAY PASS *BALTRAIL* FOR THE BALTIC STATES

The Baltic Assembly calls on the Baltic Council of Ministers and the Governments of Latvia, Estonia and Lithuania to introduce a railway pass *BALTRAIL* which could be used both in each Baltic State individually and in all three Baltic States and which in the future could be used in a joint system with similar railway passes of other countries. The railway pass would facilitate railway travel of the population of the Baltic States and would promote the development of tourism in the Baltics.
