## RESOLUTION

### on the Principles of Unity of the Baltic States

The Baltic Assembly proposes that the Parliaments and Governments of the three Baltic States in their mutual relations observe the following principles:

the misfortune or problem of one of the three States shall be regarded as the misfortune and concern of all three States;

the threat posed to one of three States shall be regarded as the threat to all three and

the achievement of one of the three States shall be regarded as the achievement of all three.
