

RESOLUTION

ON A JOINT PROGRAMME TO COMBAT TUBERCULOSIS

The Baltic Assembly,

taking into consideration the growing incidence of tuberculosis in the Baltic States and the spreading of the disease across the borders,

entrusts the Baltic Council of Ministers with a duty to work out and to approve a joint TB combating programme, co-ordinating their efforts with the Scandinavian and other countries, including the following:

- 1) drafting of relevant legislative acts;
- 2) optimising of medical activities and TB-preventive measures through the implementation of recommendations of the World Health Organisation and the International Union against TB and Lung Diseases;
- 3) involving of international organisations, the Red Cross, state and private authorities in the implementation of TB combating programme;
- 4) working out of social rehabilitation programmes for TB patients.
